

Join Us For An Exclusive Screening

Fueled by the Left, the far-Right, and radical Islam, a "new" form of anti-Semitism has reared its head. The Jewish people and the State of Israel are once again facing extreme worldwide persecution. Christians must rise to their defense. Join Jubilee Church and Proclaiming Justice To the Nations for an exclusive screening of PJTN's acclaimed documentary, *The Forgotten People*, Emmy nominated, and winner of the 2010 Telly Award for Best Documentary. This powerful film exposes the parallels between Nazism and radical Islam.

Following the screening, there will be an informative Q & A discussion with: **Laurie Cardoza-Moore** Film's Co-Producer & Founder, PJTN and two-time Emmy award-winning Director, **Stan Moore**, and local Jewish and Christian leaders.

The event is free and open to the public.
Seating is limited, so please register on-line today at www.pjtn.org and click on the 'Upcoming Events' tab to register.
